

## I SPY!

- two fossils of dinosaurs that are FLAT,
- a dinosaur with a beak and NO TEETH,
- three UN-fossilized skeletons (can you name them?),
- Nick Montana,
- a place called Pangaea,
- the Allosaurus, Big Al,
- the Tyrannosaurus rex, Stan,
- two dinosaur bones in their field jackets,
- one skeleton that is just ARMS and nothing else,
- paintings of dinosaurs,
- A white lab coat.

## Dinosaur Discovery Museum

**Draw a picture and write a clue for your own I SPY artifact!**

A large, empty rectangular box with a black border, intended for drawing a picture and writing a clue for an I SPY artifact.
