

MAIN LEVEL

Little Clint: The Story of a Baby Dinosaur

Follow a juvenile T. rex from birth to the museum!

Chapter 1: Life in the Late Cretaceous

Chapter 2: Becoming a Fossil

Chapter 3: Discovery and Excavation

Chapter 4: Study in the Lab

Chapter 5: Creating a Museum Exhibit

Main Gallery

Walk among the nation's largest display of theropod dinosaurs!

Gift Shop

Find dinosaur toys, games, books, clothes, models, and more for all ages.

Tag us on social media

#KenoshaMuseums

LOWER LEVEL

Carthage Institute of Paleontology

Explore fossils excavated from the Hell Creek Formation of southeastern Montana in the cases outside the lab. Look through the windows to see real scientists at work in preparing them for study.

Activity Room

Check out our hands-on activities, books, and puzzles!

GUIDELINES

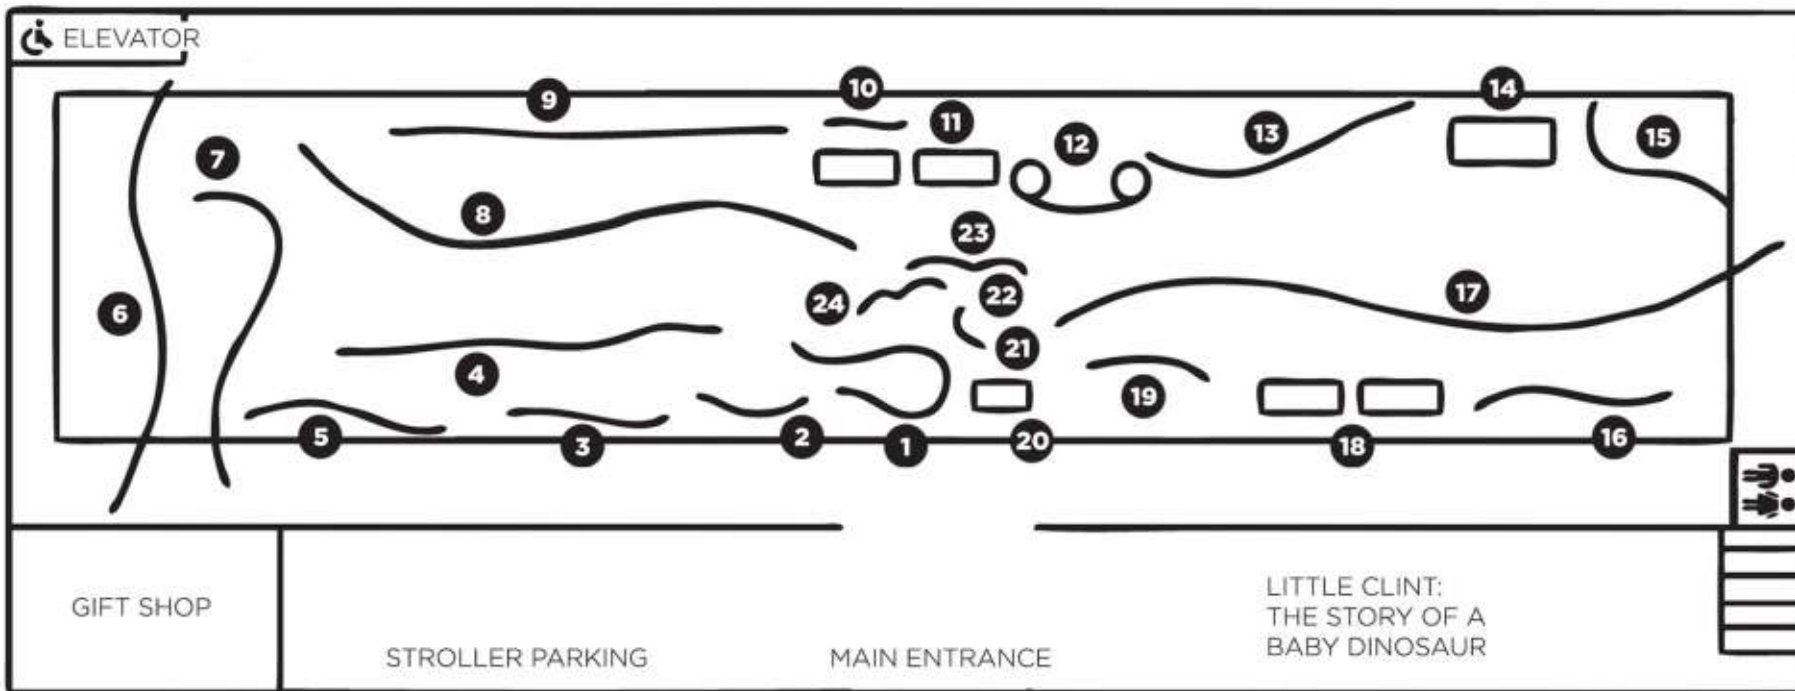

For the health and safety of all our visitors, please wear shoes in all areas of the Museum, **including the dinosaur excavations.**

If possible, please **park strollers** in the designated area outside of the gift shop to ensure access for wheelchair users throughout the Museum.

For your convenience, **complimentary** wheelchairs, noise-reducing headphones and ear plugs are available to check out at the **gift shop desk.**
