Ask Ridge Hill.

Sept 13 1887.

Dear Sir,

Dear Sir,

In answer to your letter concerning the execution of the estate to the heirs of Garret I would reply as follows.

First,

I first met the claimant after his return from the service April 3<sup>rd</sup> 1870.

But I frequently heard from him between the time of his coming out of the service, sometime in March 1866 up to the above mentioned date and always heard of his being in very poor health, attributed to Scurvy & Chronic Diarrhoea contracted while in the service & in Prison.

Second

Yes at the time of his coming to Wis. in 1870 he was suffering from the effect of bleeding piles so that he was unable to ride on horse-back with any ease. He was also afflicted with swollen feet & legs, & ~~at~~ <sup>exhibiting</sup> a scaly eruption on his body.

He has continued to suffer from the above named disabilities up to the present time as I have seen him on an average twice a month.

J

I consider that he has been from one half  
to two thirds disabled for manual labor  
during the last 17 or 18 years.

My means of the knowledge of the facts as above  
stated are from Feb. 1864 time of his enlistment  
into the service to April 1870 was by correspondence  
with him and others of my old neighbors and  
friends in Ohio, and from 1870 to the present  
time I have lived near him and have worked  
with him often.

Now I was unable to give this in my  
own handwriting as I have not been able to  
write for years. But I have a clerk that  
does all my writing in every thing for me  
who has done this,

Yours Respe.

Sir:

I first became aware that Garsett Van Fleet was suffering from Scurvy while we were med. mates in prison at Tyler Texas, where he contracted the disease. The effects of the disease was plainly visible on various parts of his body: his limbs and arms being swelled as spotted as a leopard, and his mouth his gums were so badly affected that they bled frequently and profusely. In general I considered the man to be in a very critical condition.

## PRESENT CLAIM.

Declaration filed

not alleged June 20, 1890, as contracted in service about June 1, 1884, To complete for Rheumatism

(County of No. 100)

On this 8<sup>th</sup>, 1897 October 1887.

Personally appeared before me a Justice of the Peace in and for said County, duly authorized to administer Oaths, James R. Sloan, aged 40 years, a resident of Windsor Township, County of Morgan and State of Ohio, who being duly sworn according to law declares that he first became acquainted with Garrett Van Fleet, Applicant for Invalid Pension, and know the said Claimant, from about March 1864, to be the identical person of the name who, enlisted as Volunteer, as a private in Co. G, 7<sup>th</sup> Reg<sup>t</sup> Ohio Inf<sup>y</sup> 1<sup>st</sup> Vol. who, <sup>Sept. 4<sup>th</sup></sup> ~~he~~ was discharged about the 29<sup>th</sup> day of February 1866, by reason of termination of war, nearly one year past at that time.

That the said Claimant, while in the line of his duty at or near Charles Mills in the State of Arkansas, did on or about the 25<sup>th</sup> of April 1864, get captured by the Confederate forces while engaged in battle, and was sent to Camp Ford near Tyler Texas. Where he was confined ten months to a day, and while in said prison contracted diseases, called Gouty, and diarrhoea and Rheum, which entirely disabled him from taking care of himself, and had nothing to eat that any one could eat unless forced by starvation, the first of corn meal that the wearer had eat all substance from food so sold. I have never seen Claimant

He is discharged, and know nothing of his physical condition since. but judging by his condition while in prison, and on what discharged in 1866, And my own condition since I would say that he is disabled totally from performing manual labour.

I make this statement from my present recollection, And being in prison with Claimant, And suffering with him with same disease, And about losing both my Eyes. from Scurvy, I claim that I ought to know And am correct in my statement.

I am in no way related, nor in any way concerned in this claim either present or prospective. My last office is Rockport, Morgan County State of Ohio,

Geo. D. Kean

Sworn to and subscribed, before me this 8th day of October 1867 a Certify that I read said Affidavit to said Applicant And Acquainted him with the contents before he executed the same. I further Certify that I am in no wise interested, in said case, nor am I in any way concerned in its prosecution, And that said Applicant is personally known to me, And that he is a credible person And entitled to belief.

Sir:

If such disability resulted from disease, state its name or nature, how dominant was affected thereby, and when, where and how you first became aware of the fact.

If the disability resulted from an injury or a wound state whether you were an eye-witness of its origin and whether you saw the affected part. If so, describe the injury, wound, give its location, date of occurrence and when you first seeing the same.

Your early answer endorsed upon the back of this letter will be appreciated.

Lost Post (I  
 I made an Appt. for Harret Van Fleet  
 I think about the last days of August  
 or first of Sept 1867.

My recollection of the circumstances are  
 we enlisted in Co F 77th Regt. Ill. I  
 in same Co & regt. I think about Feb or March  
 1864, and on the 25<sup>th</sup> day of April 1864, while  
 in battle near Marks miles in the State of  
 Arkansas. I thought my self and others  
 were captured by the Confederate forces  
 and sent to Camp Ford near Tyler, Texas  
 where we was confined Ten months and  
 while in said Prison we contracted  
 Diphtheria and Piles, after being Exchange  
 we came home on Furlough, and returned  
 to our Command near Mobile Alabama  
 from there we went to Texas, on the  
 Rio Grand river where we remained  
 until Feb 1866, and during all that time  
 he was troubled with Diphtheria and Piles  
 And, I have never seen him since. He  
 was discharged.

 Co. F. 77<sup>th</sup> Reg. Ohio Inf. Regt.

On this 24<sup>th</sup> day of Dec 1887  
 personally examined before me a  
 Notary Public in and for said County  
 and State Garrett Campbell - The  
 Applicant - who being first duly  
 sworn in relation to his claim  
 says that - he is unable to furnish  
 any medical testimony except that  
 of Dr Vance a Vetal Specialist - whose  
 affidavit is on file for treatment  
 of piles between the years 1870 & 87  
 That - he herewith offers the evidence  
 of two well known witnesses  
 and John Jones and the evidence  
 of N. A. Dwyer a Druggist - of Leola  
 Mo in place of the medical evidence  
 called for in paragraph No. 1, enclosed  
 Circular That - the reason that he cannot  
 furnish the medical testimony is that  
 he had no medical treatment other than  
 as stated by Dr Vance & the Druggist - Dwyer  
 between the years 1870 & 87
