

2024

Kenosha Public Museums Impact Report

In 2024, the Kenosha Public Museums continued to thrive as vibrant centers for learning, discovery, and community connection. More than 205,000 people visited the museums, keeping our volunteers busy working over 5,480 hours! Thousands of students and adults engaged with our educational programs, explored our exhibitions through free self-guided tours, and benefited from our growing group programming.

Thank you for supporting the Kenosha Public Museums!

Your commitment to our mission drives everything we do and inspires us to serve our community in even more meaningful ways in the year ahead.

"Thank you for the wonderful visit to your museum! We loved the presentation this year! Everything went seamlessly, and the students raved about how much they enjoyed their experience. We will definitely be back next year.

Kind Regards, Katie"
